

SECTION 3.00 Financial Policies

Subsection 3.05

Memorials

Memorials may be given in memory of members, their parents, spouses and children and in memory of past members of the church.

The Menno Church Memorial Fund is designated as established by the Church for the depository of all monetary gifts. The Treasurer will monitor and track designated v. undesignated gifts.

The use of these funds can be determined either by the Church Board or by congregational action. In the case of a specified designation by the donor(s) then those funds will be used specifically for that designation.
